District of Columbia law designates the Office as a party to all utility-related proceedings before the Public Service Commission. The Office also represents the interests of District ratepayers before federal regulatory agencies. The Office is authorized to investigate the operation and valuation of utility companies independently of any pending proceedings.

- C. OPC has utilized GMP for legal advice and consultation services related to personnel, employment and other related issues in the past and GMP is currently providing legal consultation and advice services to OPC in connection with ongoing matters. Utilization of GMP's services are required to ensure the efficient continuation of those matters.

D. It is for the reasons outlined herein that it is recommended that a sole source contract be awarded to Goldblatt Martin Pozen LLC.
